

AEON FLORAL VASES

(Zinc castings are guaranteed for life against manufacturers defects.)

THRIFTY SERIES

Economical lawn vases

This powder coat vase series is available with a 4-1/8" polyethylene casing in either half-exposed or ground-level models. (Zinc castings are guaranteed for life against manufacturers defects.)

<u>Stock No.</u>	<u>Description</u>
	Half-Exposed
4BP	Zinc Vase and Polycasing, Brown Finish
4GP	Zinc Vase and Polycasing, Gray Finish
4TP	Zinc Vase, Bronze Textured Finish, and Brown Polycasing
	Ground-Level
8BP	Zinc Vase and Polycasing, Brown Finish
8GP	Zinc Vase and Polycasing, Gray Finish
8TP	Zinc Vase, Bronze Textured Finish, and Brown Polycasing

All vases and casings may be purchased separately.
(See replacement parts listing in price list.)

UTILITY SERIES

Ground Level

Available in sheet copper or galvanized steel, Aeon utility vases offer durability with economy. Canister type vases are double beaded to prevent leakage. Longevity of units can be increased by adding double wall polycasing.

<u>Stock No.</u>	<u>Description</u>
1GG7	Galvanized Vase and Casing 7" Deep
1GG8	Galvanized Vase and Casing 8" Deep
1BB8	Sheet Copper Vase and Casing 8" Deep
3GP8	Galvanized Vase and Casing 8" Deep and Brown Double Wall Polycase

All vases and casings may be purchased separately.
(See replacement parts listing in price list.)

WINONA VASE

Adjustable Height

The top of the Aeon sheet metal vase line, the Winona adjusts to two height positions when open. The vase bottom completely covers outer casing when closed, avoiding clogging or jamming.

<u>Stock No.</u>	<u>Description</u>
1PG8	Adjustable Galvanized Vase and Case 8" Deep

Vase and casing may be purchased separately.
(See replacement parts listing in price list.)
